## Prayer letter!

### 100 Missions Completed!

Another year comes closer to an end and what

a blessed year it has been. By the end of this year we will have completed 100 missions for which we thank the Lord God Almighty for the health, strength, stamina, endurance and empowering of His Holy Spirit to complete all these missions and Bible Clubs. With His help

and grace,

He has enabled us to reach thousands of children in these few years of serving Him, not just at home but in many other countries as well.

During the summer my wee red van packed in. The decision was made after discussing with some friends, it's better to let it go. A cry for help was sent around the country and within a few weeks, I was able to purchase the new shape caddy van (Pictured) **Can we say publicly "thank you" to everyone who made this possible and enabled us to stay on the road without cancelling one meeting or mission.**

# Isle of Man

During October a team of ten volunteers flew to the isle of Man. This was organised by Roy and Sharon Wilson of Rasharkin. Together twelve schools were spoken in, two old people's homes and three missions were organised. Almost 2000 Bibles, Creation books, tracts and book markers were given personally to the children. To crown the week we had the joy of leading ten precious children to the Lord Jesus Christ. "He that

winneth souls is wise."

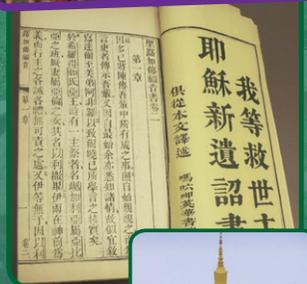

# China & Laos Trip

For 3 weeks in November, I had the tremendous privilege of travelling to Hong Kong, China, Thailand and Laos. Everyday as we watch the day passing at home someone is making their way on foot across the borders

in Asia where the Word of God is forbidden. In villages, towns and cities, many are waiting, hoping that some day someone will bring them a copy of the scriptures. Maybe you can't speak, or work with children, if you can walk, you can carry a suit case, bag etc.

On average the team smuggled 2 tons of Bibles across the border every day. Many times we were stopped but not

every time. This is a trip we plan to be returning to again next year DV. Start praying now that you will be part of it. Wake up sleeping Christian, there is so much work to be done! What are we really doing to reach the vast and needy people in the world?

# Schools & Bible Clubs

Plans are underway for next year as we seek to do as many missions as we possibly can. Already to date almost 30 missions are confirmed with more to follow up on and organise. Very conscience that "Time is short" we seek to do all that we can to reach the lost for Jesus Christ. We must work, "I must work the works of him that sent me, while it is day: the night cometh, when no man can work." (John 9:4)

Are you burdened for the children in your area? Would you like to see them all reached with the gospel? All you have to do is ask one question. Go to the principal in your local primary school and ask this question. Mr or Mrs.....Would you be interested in having a Bible fun week in your school? They will normally respond by saying, what is a Bible fun week and who does this? Your answer is self-explanatory. It is about the Bible, is good fun and lasts for a week.

# List of Missions Christmas & International

At Christmas time this year we have contacted 12 schools all of which have agreed for us to come and conduct a Christmas Bible Club. This will last for an hour a day for five days, covering the whole Christmas story of the birth of

Christ. This is a tremendous opportunity. Some of these schools have over 200 children; this will mean potentially reaching almost 2000 children to tell them why Jesus Christ came into this world.

# Tollymore Camp 2012

Tollymore Camp is becoming an annual booking for many children. In fact we have an increasing number of families joining us year by year. It seems to be the ideal holiday; its setting is in the very heart of nature, a forest. It is very cheap especially compared with a foreign holiday and most of all its focus is Jesus Christ. Above everything we seek to do, is to bring children to Christ and Christian's even closer to Christ. A volunteer was

heard saying he never experienced anything like the Friday night meeting, when children were given the opportunity to sing, testify and tell others what the Lord Jesus meant to them. It was special and very touching to say the least.

## Volunteer Retreat

2nd-4th December

For all those desiring to go on with and live their lives for God. Refreshing, Challenging time, especially for those engaged in some way in the Lord's Work.

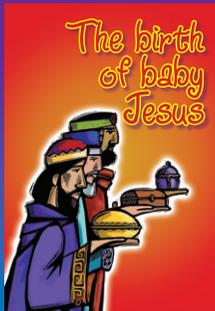

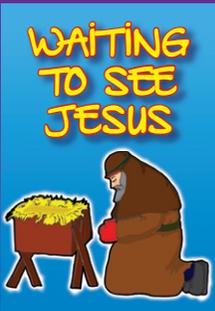

Murlough house, Dundrum, Co. Down

**THIS YEAR** we have taken another 5 times to Poland, meaning we have now taken 21 teams to Poland. Hundreds of children have been reached with the Gospel and thousands of pounds have been raised to help further the mission work in Poland. It continues to be a great source of encouragement to every volunteer that makes the journey. Some have been directly challenged into full time work and have gone into Bible

College. Others returned all fired up for the Lord's work and it is our prayer that they will burn on and the flame will not burn out.
