

HOPE FOR Youth MINISTRIES Winter 2012

Prayer letter!

This year has been another wonderful year in the ministry of Hope for Youth. We continue to be astounded as to how the Lord continues to give us so many opportunities to preach His Word to the children. The Lord continues to meet our every need physically, financially and spiritually. We as a couple are so blessed in every possible way. If you have been a part our lives or ministry in any way at all, we wish for you to know and enjoy the blessing of God the way we both do.

OUR FIRST MINISTRY BANQUET

For the first time we hosted a ministry banquet and it was a resounding success in Larchfield estate, Hillsborough.

Over 200 friends and supporters joined us for the evening for a superb meal and a wonderful night of fellowship.

25 TEAMS TO POLAND

We have now taken 25 teams to Poland to do camps for the children. Our 25th team in October had 55 volunteers. Next year we are planning a further 5 trips with two being winter camps in February. These trips provide opportunities for young and old alike to serve God in a team that has the same common goal, common interest and a united stand in serving Christ. Our book stepping stones is in the process of

being translated and printed in Polish, a great resource to give to the children, many of whom have professed faith in Christ. We are under taking the financial responsibility of this opportunity so it can be given freely to the children.

"Thank you for such an amazing weekend. It has really inspired and encouraged me to really start and get more involved in my youth and S.U., to inspire and encourage others the way you have done for me." Matthew age 18

Summer Camp, food drops and evangelism

Food drops, Bible drops & evangelism

"Unreal, amazing experience, seeing the power of God working through the camp was incredible. Amazing team! Everyone was focused on the sole purpose and our getting up at 5am and 6am paid off, wish it could be longer, can't wait until the next time." Cherie age 18

If you would like to be on one of these teams please contact us for more information. These are tremendous opportunities to see evangelism first hand, to experience a camp, a good old traditional fun filled camp full of fun and joy and most of all soaked and saturated in the word of God.

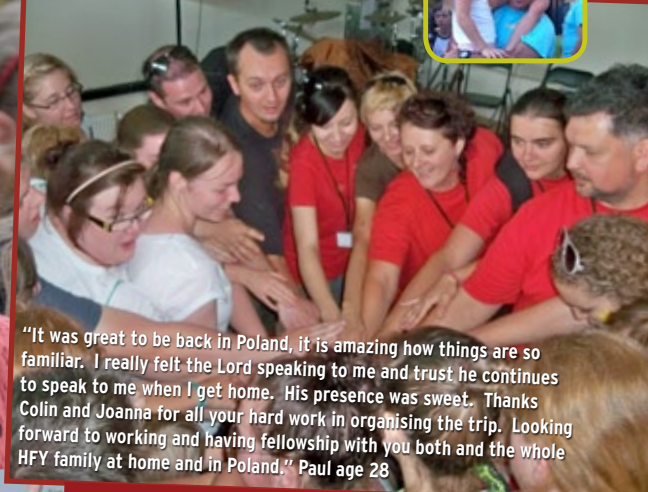

Henryk, our Polish friend now delivers food to 5,000 needy poor people, with food drops we can help him deliver tons of food to the poorest homes in Warsaw. Most of all, everyone on the team is blessed and refreshed.

"Thank you for allowing me to be part of the team for Poland again, it was a great team and great to work with people who love the Lord, who all have the same aim in doing something more for Him. Your ministry is such a blessing to us all and encourages us to keep pushing on knowing that someday we will see in heaven all the little souls that were reached." Allister age 36

"What can I say but thank you so much, you guys are amazing, you will never know how much you have encouraged me. Yet another amazing trip to Poland. The fellowship was fantastic and devotion times were incredible....the presence of the Lord was so evident on this trip. Going home buzzing, thanks loads." Karla age 21

"It was great to be back in Poland, it is amazing how things are so familiar. I really felt the Lord speaking to me and trust he continues to speak to me when I get home. His presence was sweet. Thanks Colin and Joanna for all your hard work in organising the trip. Looking forward to working and having fellowship with you both and the whole HFY family at home and in Poland." Paul age 28

"Thank you so much for a wonderful experience" David age 70

"My first time in Poland and what an experience it was, a country keen to hear the gospel. I enjoyed being able to witness to the children and will remember them in prayer. It was scary to see whole families living in one room. It has made me appreciate life and brought me closer to God, I loved my time here and hope God will lead me back again." Jason age 26

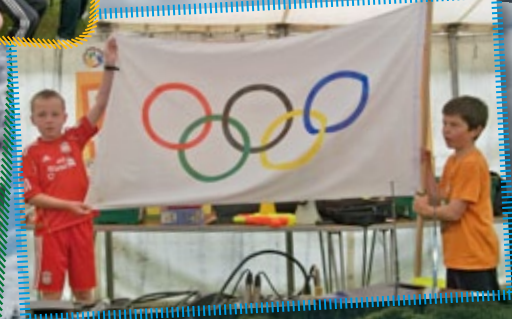

"So glad I came on this trip, really, really encouraged and so blessed with all the work done. My heart was really touched as the word of the Bible was brought before us each and every day." Nigel age 43

Postal Bible School

Something that concerns me when we are doing a Bible Club or a children's mission is follow up. Most of our missions are now in schools. The secret of a good fisherman is fishing where the fish are. We have contacted Postal Bible School, they do a wonderful work, like a corresponding course for children where lessons are posted to the children freely going right through the Bible with their lessons. They are so well organised, with teachers etc. So every Bible club we do, on the

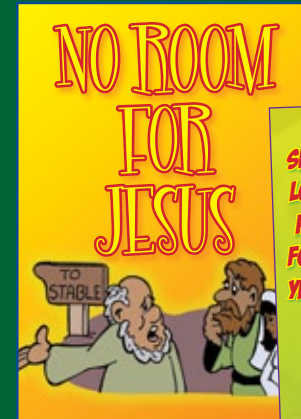

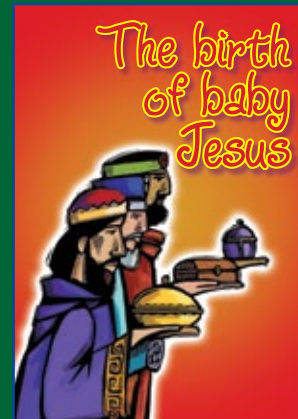

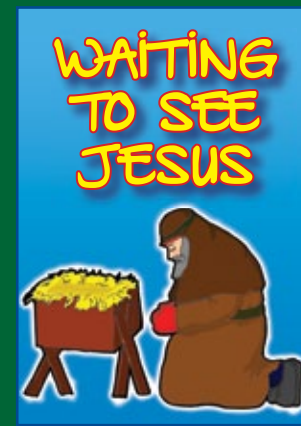

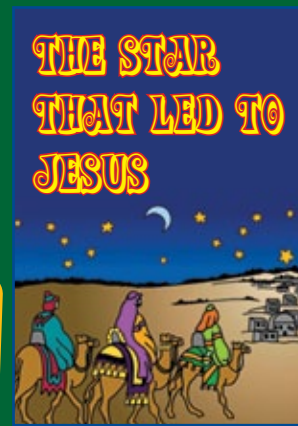

last day every child will be presented with a lesson plan to learn more about God, the Bible and Salvation through Postal Bible School. These are posted out freely to all who want to correspond with their parent's written consent.

Busy year of Missions

This year we have taken on 80 missions and with God's help we are almost through them. Right up until Christmas we are doing missions and Bible clubs telling children why it was necessary for Christ Jesus to come into this world. Next year we are planning to do 100 missions, trips and Bible Clubs. We have already booked 60 of these across the province most of which are in public schools. We wrote to every primary school in Counties Down, Antrim and Armagh leaving the

other 3 counties until next year. The missions have been very successful and fruitful in many ways; hundreds and thousands of children have been reached with the gospel. Pray with and for us as we plan and prepare for next year, that it will be a great time of harvest both sowing and reaping. We continue to be amazed and encouraged as we meet many children who tell us they got saved, 3, 4 years ago and have never forgotten, who still love the Lord and still following Him. It really is wonderful, Praise His name!

Reaching children in the Caravan Parks

This year for the first we took teams into the caravan parks in Cranfield, Kilkeel, Portrush and Portstewart, 12 caravan parks in total including the Strand beach. Multitudes of children were reached with the gospel

and we are contemplating returning next summer as well.
