CYCLING

Riding a bike is something most boys and girls love to do. A bike is used for many reasons: for enjoyment, for travelling to a friend's house or even to go to work.

When you ride a bike it gives you great pleasure, especially on a beautiful day with the whole world around you, as you ride through the streets, around your house or along the road. It is necessary that everything works properly. Your tyres must be pumped up, your chain tight and you especially need to make sure your brakes work properly.

Every time we ride our bikes we should check them over to make sure everything is working properly. In life it is important to take time to stop and see where we are going. We are only travelling through this life once and it is important we are going in the right direction, the way that leads to heaven. Jesus said, "I am the way, the truth, and the life: no man cometh unto the Father, but by me." John 14:6

The Lord Jesus wants us all to go to heaven, but unless we are saved from our sins we cannot enter heaven. We must put our trust completely in the Lord and ask him to save us from all our sins. "Even so it is not the will of your Father which is in heaven, that one of these little ones should perish." Matthew 18:14

When I ride my bike it gives me opportunity to think. Next time you are riding your bike, think about where your life's journey will take you. Right now you can be sure it's going to be heaven if you only put your trust in the One who can make this possible, the Lord Jesus Christ.

If you want to be saved from sin and ask the Lord Jesus into your heart, here is a prayer that will help you do that. Remember saying the prayer won't save you; you must really mean what you say with all your heart.

PRAYER:

Dear Lord, I am a sinner. Please forgive me for all my sin. I'm really sorry for all the wrong things I have done. Thank you for dying on the cross to save me. I believe in you. Please come into my heart and life now and save me. Help me to live for you every day. Amen

If you meant your prayer to God, then the Lord Jesus has saved you. God says in His Word "Believe on the Lord Jesus Christ, and thou shalt be saved." Acts 16:31

What to do now:

Read the Bible and pray to God every day. Don't forget to tell others that you are now a Christian. Every day live your life for Jesus.
