Team in December 2009

Team in February 2010

A team is made up of a group of people who are saved and really want to serve the Lord. The fellowship on these trips is mighty. Young people must be open minded and be willing to except a different culture. Food is different, the language is different, the tempature may be different but God is always the same. You must be ready to be challenged, changed and catch the vision, a real vision of God at work.

Warsaw the capital of Poland. This city has one of the largest markets in Poland.

Krackow a beautiful Polish city

This is Auschwitz concentration Camp when not very long ago millions were put to death here. These were days of communism and cruelty when Poland was crushed between Germany and Russia. Today Poland is free, free for you and me to do evangelism . God is at work, saving people. Their cry is come over and help us.

The main theme of our trips to Poland is evangelism. Bringing the glorious message of the Gospel to Polish hearts, especially to Children and young poeple. There are many opportunities to do this in many places from the smallest village to the largest city.

Feed the Poor

give something to the poor. John 13:29

Henry is the man pictured here. He is the main contact with Poland. The ministry we will be doing is helping Henry. He organises everything. He is responsible for bringing food to 750 dependent poor families.

We will be collecting bread and food and delivering the food all over the city. As a result these families freely allow Henry to evangelise the children, through Camps and Bible clubs etc.

A large tent is erected for poor people to come every day for soup and bread.

Evangelise the Children

23rd August - 5th September (Two week trip involving a lakeside camp and food distribution)
30th September - 3rd October. (Long weekend involving discipleship training and food distribution)
The cost is **£300 all inclusive**. Additionally we ask each person to raise money for the trip to help pay for the orphans. It costs £50 for every camper. Everything we do is paid for by the team, these children are poor and cannot afford camps etc. If you would be interested in joining the team this year. Please let me know and an application form can be sent to you. More pictures and information are available on the web.
