

HOPE FOR Youth MINISTRIES

Spring 2013

Prayer letter

This year 2013...

We have taken on the most missions to date, the challenge of 100 missions and Bible clubs have been planned this year. Not to mention the numerous school assemblies and other such meetings, meaning speaking around 1000 times this year. This is a massive task and would covet your prayers for health and strength to be continued.

Our ministry of Hope for Youth is now expanding beyond the shores of Northern Ireland as requests continue to come in for help across the world. Evangelism is the centre and core of our ministry. When an opportunity for evangelism comes before us, serious consideration is given to it. We pray about it and if the Lord burns it in our hearts, off we go to help out!

"But who so shall offend one of these little ones which believe in me, it were better for him that a millstone were hanged about his neck, and that he were drowned in the depth of the sea." Matthew 18:6

Colin and Joanna Tinsley

POLAND

We have just returned from Poland with the 27th team going out to Poland. Again the Lord really poured out His blessing in the salvation of precious souls. Everyone of the team members were blessed, over 30 volunteers went out in two separate teams in February.

Please pray for these new converts in Poland, they face all sorts of challenges after camp especially from the Roman Catholic Church and the problems this causes within their own families. They are told to take nothing to do with the Protestants who come to brain wash them at camps. But it is marvellous what these children learn from the Word of God in one week, this is why preaching the Bible is the most important part of our ministry and must never ever be compromised! The truth will set them free!

Bible Clubs

Bible Clubs and Missions have taken off away beyond our expectations. Most of our Bible clubs are now in public schools. The secret of a good

Everyone of these children are precious in the sight of the Lord. On the final night many of the children testified to when the Lord saved them, that week, last year, the year before that and the year before that at the same Bible club. They never forgot, and the Lord certainly never forgot them!

fisherman is to go where the fish are. If I want to reach the children, where are they? in the schools. The Lord Jesus tells us to GO to them, where they are at! Schools have not only given us their keys to use their building at night, but have opened up the opportunity to come in during school time to have our Bible club for a full hour for a full school week.

For example in Maralin, in March of this year, we had a tremendous mission with lots of volunteers helping out. God really came down and poured out His blessing, on one night five volunteers were seen sitting with, praying with and leading children to the Lord, before the meeting, during the meeting and after the meeting. At that mission 23 children were counselled, it was the volunteers who counselled them.
