

SWIMMING

SWIMMING

Swimming is one of the most enjoyable sports that children can do. It is so important to learn to swim when you are young, because the older you become the less likely it is that you will ever learn to swim properly. If you learn to swim when you are young you will never forget how to swim when you are older.

This is so much like the Christian life. Most people who are Christians get saved and become Christians when they are young, and when they are truly saved they never forget they are saved. It is most important to realise we must be saved from our sins.

“Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved.” Acts 4:12

The greatest thing about being able to swim is that it takes away the fear of drowning. Many people lose their lives from drowning in the water. When you can swim, you can be confident whenever you go into the water. Likewise when we are saved, we have confidence that the Lord is always with us and when we die, we know we will be forever with the Lord in heaven.

When swimming in deep water we must trust completely that we will stay above the water. Likewise, in the Christian life we must completely trust in what the Lord has done for us on the cross by dying to take away our sins. "God is my salvation; I will trust, and not be afraid" Isaiah 12:2

If you want to be saved from sin and ask the Lord Jesus into your heart, here is a prayer that will help you do that. Remember saying the prayer won't save you; you must really mean what you say with all your heart.

PRAYER:

Dear Lord, I am a sinner. Please forgive me for all my sin. I'm really sorry for all the wrong things I have done. Thank you for dying on the cross to save me. I believe in you. Please come into my heart and life now and save me. Help me to live for you every day. Amen

If you meant your prayer to God, then the Lord Jesus has saved you. God says in His Word "Believe on the Lord Jesus Christ, and thou shalt be saved." Acts 16:31

What to do now:

Read the Bible and pray to God every day. Don't forget to tell others that you are now a Christian. Every day live your life for Jesus.
