

# HOPE FOR Youth MINISTRIES

AUTUMN / WINTER 2020-21

## PRAYER LETTER

**AMIDST THE COVID-19 RESTRICTIONS, WE HAVE PERSEVERED ON WITH THE WORK OF THE GOSPEL.**

Our methods may have completely changed but our message is the same as ever. In fact, we are reaching more children now than we ever

have through our YouTube ministry. Often there are hundreds and even thousands of views of our Bible stories.

# Online Ministry

**PRESENTLY, WE ARE PRODUCING 6 PROGRAMS FOR OUR YOUTUBE CHANNEL EACH WEEK AND ARE SO THANKFUL FOR THE MODERN TECHNOLOGY THAT MAKES IT POSSIBLE.**

Since the start of Lockdown, we have been doing an online Sunday School at 10:30 each week. Starting with Genesis, we are going through the books of the Bible to teach children the main lessons in each one and how they all fit together. Many churches are also promoting these in the absence of their own Sunday Schools to teach their children.

# You Tube

From Monday to Friday, we upload an assembly (song, followed by a lesson then a closing song) every morning at 9:00am for schools to show their children in their classrooms. Some schools tune in a couple of mornings each week, whilst others watch without fail every morning! A teacher told me if she forgets the children reminder her to put Colin on! I am concerned that if schools get used to

not having assemblies during these strange times, the devil will make sure they won't reinstate them in the future.

As many church's children's Boys and Girls brigades, Youth Clubs and Children's meetings have been unable to return, we started a Friday night Bible Club with lots of singing, Bible stories, an out and about section and quiz. This has proved very successful with an average of 500 homes tuning in.

# Out and About MAKING VIDEOS FOR SCHOOLS

**WE CONTINUALLY GET MESSAGES FROM OVERSEAS FROM PEOPLE WHO WATCH OUR PROGRAMS.** Recently, we have had contact from Scotland, England, The Philippines, Nepal, Poland, Jamaica, Brazil, America,

Australia, Lithuania, France and our neighbours in the South of Ireland.

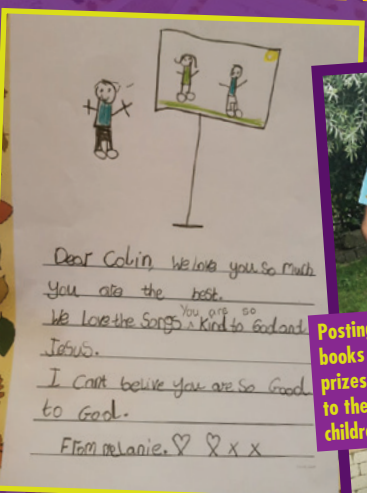

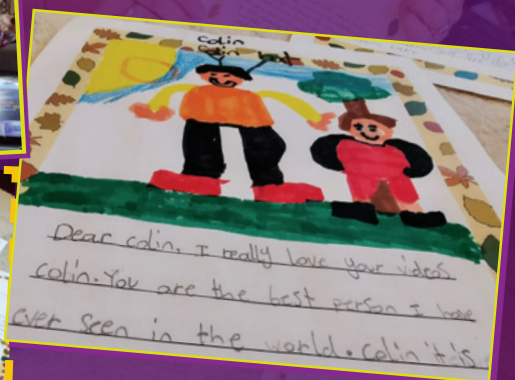

**WE ARE DELIGHTED THAT OUR BROADCASTS ARE BEING WATCHED IN SO MANY SCHOOLS ACROSS NORTHERN IRELAND.**

The positive feedback we receive from parents and teachers telling us how much the children enjoy them how it provokes talk about God in the classroom, encourage us to keep labouring on.

Please pray for strength of body, mind and heart as we seek to bring fresh material to the children and prevent it in a way that they find interesting. Also for stamina and enthusiasm to keep doing this throughout the pandemic as we have no idea how long it will go

on for. We must keep fighting for the children! Pray for Joanna who does most of the recording and Ken as he edits and uploads the videos to YouTube. The latter takes hours to do and Ken has proved an invaluable asset to us this year. Many children have been taught, encouraged, blessed and most importantly saved as a result of these broadcasts. We have so much to be thankful for and encouraged about!

WITH OUR 60TH TRIP CANCELLED IN OCTOBER DUE TO COVID-19, we are planning to take 4 teams out in January 2021 DV. We have 4 camps planned between 21st January and 14th February, where we expect to bring over 200 Polish children to a winter camp. Most of these children are orphaned, poor or disadvantaged in some way so we sponsor their way. It costs on average £50 per child – if you wish to help these children we would love to hear from you.

On that note, some folks have also asked about the running costs of Hope for Youth Ministries. To date, God has always met all our needs and

will continue to do so. He is pleased to use the sacrificial giving of His people. There are numerous miscellaneous costs.

If you would like to contribute towards the ministry, this would be much appreciated, here are ways to help with this.

### REQUEST for RESOURCES

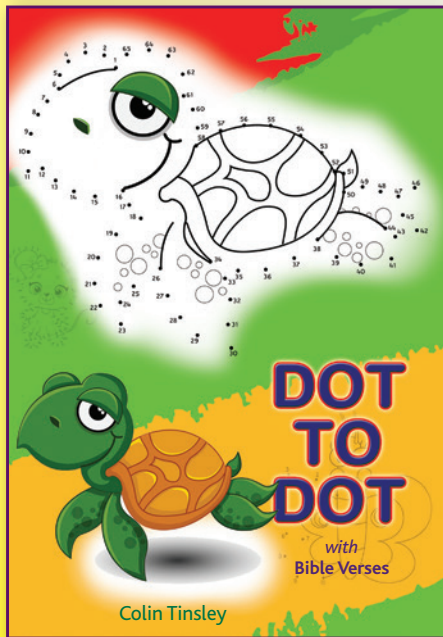

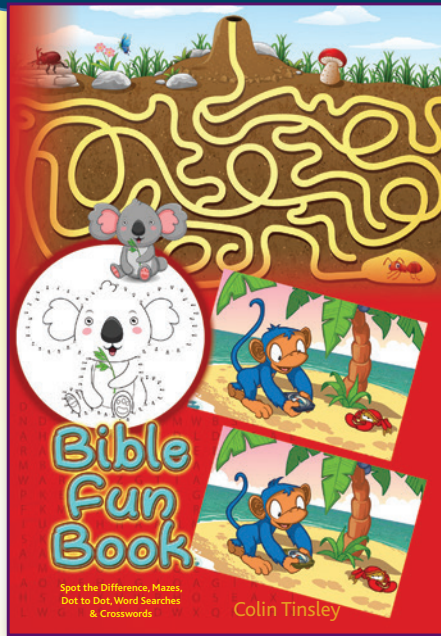

We regularly get requests for assistance with children's work. People ask for songs, materials for Bible stories, help on how to record/edit videos and uploading to YouTube. As well as this, people want resources for their own children and good books with sound

biblical instruction. We happily recommend our own and are happy to send whatever we can to them. I was taught never to refuse light from another man's candle and it is more blessed to give than to receive. If we can assist in this way don't hesitate to contact us.

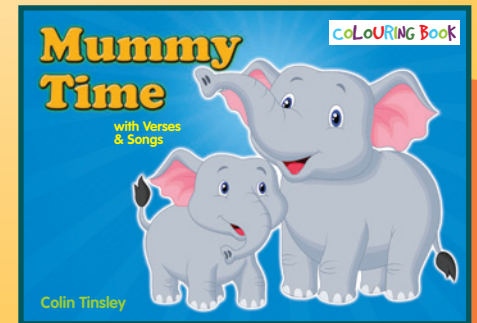

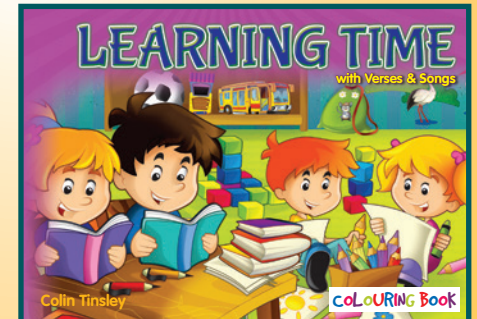

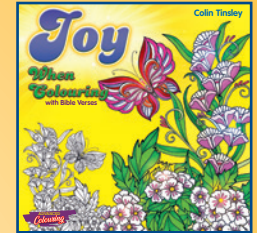

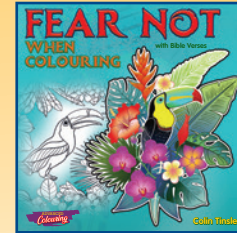

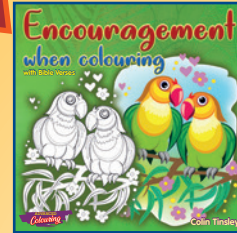

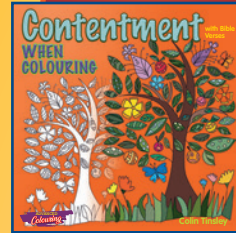

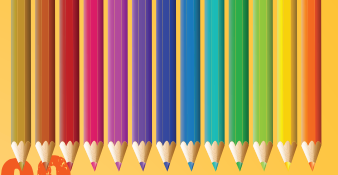

# BRAND NEW BOOKS BY COLIN
