POLAND

WE HAVE NOW TAKEN 75 TEAMS TO POLAND. Most of these trips take the form of camp ministry. At these camps we have presented the Gospel message to thousands of Polish children and young people. It always thrills me to watch Joanna translate the Bible teaching to her people in their own language!

In February, just after the war broke out in Ukraine, we coordinated a massive aid effort to send clothing, blankets, toiletries and food to Ukrainian refugees who had crossed the border into Poland. People from all over Northern Ireland came together and packed items into 43 forty-foot articulated lorries, which headed directly to Poland. At this time, Joanna remained in Poland and helped our

mission partner, Henryk, with the logistics over there. A significant amount of the aid was transferred onto Ukrainian lorries that had come to Poland to take much-needed essentials to the neediest areas of the warzone.

We also set up a GoFundMe appeal, which is still active, for people to donate financially. As money comes in, we send regular sums of money to Henryk and other Christian organisations in Poland to purchase food and necessities for the refugees and those still living in Ukraine.

*If you can help us buy food in Poland for Ukraine, please use the information on the back and mark clearly **UKRAINE**.*

School Ministry

WE ARE VERY THANKFUL THAT WE HAVE BEEN ABLE to resume our school ministry, which is the core of our ministry. We have over 100 missions and Bible Clubs booked between now and June. The majority of these missions are in public schools during the day and most weeks we will be presenting the life-saving message of the Gospel to over 1,000 children.

Children love school Bible clubs and for many, it is the highlight of their school year. They love singing, answering questions in quizzes and especially listening to Bible stories – some children hearing them for the first time in their lives.

Please uphold us in prayer as we seek to lead the present and upcoming generation to Christ.

YOUTUBE

When the UK entered lockdown in March 2020, we launched an online YouTube channel so we could continue reaching children across our land and beyond. During the last 30 months, we recorded over 750 videos for school daily assemblies, Sunday School and special seasonal Bible Clubs. Some of these videos have been viewed hundreds and even thousands of times. **Methods may change over time, but the message remains the same!**

When we are out and about, we meet many strangers who tell us they regularly watch our videos and follow the work of our ministry. With the schools opening up again for in-person Bible Clubs, our primary focus will be doing those. However, we still plan to record an online Sunday School and three assemblies every week as for some children, this is the only Bible teaching they get.

NEW TRACTS 2022

We have now written 75 different tracts and printed several million of them! At the end of every Bible Club meeting, children are given a tract. On the back of each tract, the way of salvation is explained clearly along with a simple prayer if they want to respond. We are in the process of printing some new tracts based on more Bible stories and characters.

BOOKS

Since 2007 we have published **65 books for children** and also some devotionals for teenagers and adults. During lockdown, we summarised every book of the Bible in our online Sunday School. After much encouraging feedback from parents and children, we decided to make this into a written book!

This book covers The Tabernacle, Judges, Ezra, Nehemiah and Daniel. We often receive messages from parents whose children are encouraged and strengthened in their walk with God while reading our books.

We also hear of children getting saved after reading our books which is very encouraging.

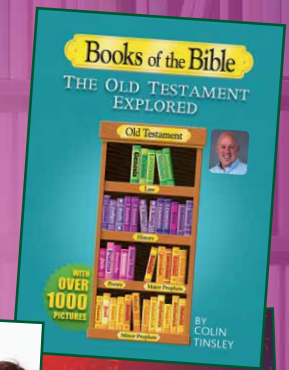

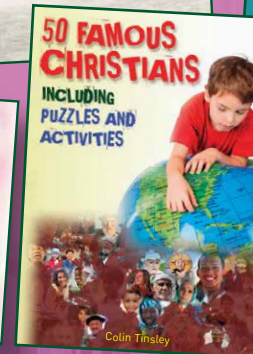

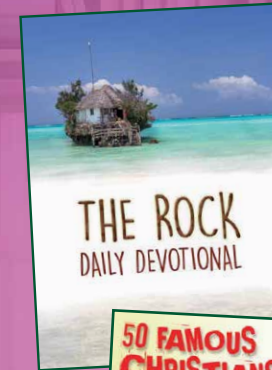

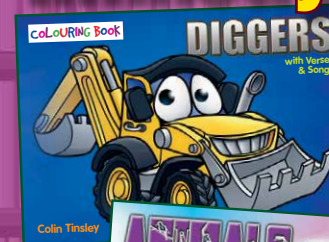

The Old Testament Explored was published in January and we are currently putting our New Testament summary into written form.

Our latest devotional book is called *Shining for God* – a sequel to *Walking with God* and *Running for God*.

The Old Testament Explored

In this book, the reader is guided through all 39 Old Testament books. They can trace the loving hand of God from Creation in Genesis to Malachi's call to genuine faith. Along the journey, the reader's attention is drawn to many glimpses of the coming Saviour, the Lord Jesus Christ.

Vivid pictures and diagrams enrich the stories and aid their application. At the end of each book, there are questions, puzzles and prayers for reflection. It is my desire that all who read this book will have an increased appetite for the Bible and appreciation of the greatest love story ever told!

...the Egyptians wed them, but as the last Hebrew safely across. God Moses to stretch his hand once more, immediately, the sea and just as it had need earlier. The big his of water crashed on all of the system hearts and soldiers. The Bible tells us that not a single one then survived.

...his was a miraculous and wonderful victory, and the first thing Moses did was to give thanks to God by singing his praises.

...the journey began, a journey which would last 40 years, because God knew the people were not yet ready to overcome the current inhabitants of their promised land.

...time and time again the people complained and got angry at God and Moses. Despite seeing dozens of miracles, they were still full of unbelief and accused God of not caring for them.

...Firstly, they complained because they had no water. Then, when they received water they complained that it was salty.

...Moses was able to perform a miracle to make the water fresh. However, the

...other than learning from his previous mistake of marrying a Philistine man, he saw a very beautiful girl named Delilah and wanted her himself. He should have realised that this would end in disaster, he could not resist the temptation and began dating her.

...evile, we need to beware of temptation. There are many things in this world we want to look at, or things we want to eat, or places we want to go to, but we know deep down we shouldn't.

...the Philistines knew Samson was too strong for them physically, but it was obvious to them what his weakness was. They approached Delilah and told her if she could seduce him, to discover the source of his great strength, they would reward her with 100 pieces of silver!

...at the beginning, he made promises and told her if he was bound with ropes, he would just have the strength of a normal man. Three times she thought she had him captured, but he tore the ropes to shreds on each occasion.

...He should have realised she was trying to betray him, but one day he got tired of her asking and told her that a razor had never been used on his head as he was a Nazirite to God from birth. He told her that if his head was shaved, his strength would leave him, and he would become like any other man.

...Sometimes when we come to pray to God, we may be holding on to some unforgiven sin in our lives. In these verses, God tells us that we are wasting our time in prayer if we have not dealt with these sins already. God is holy and hates sin, especially when we are lying by trying to hide it from Him. We must be open and honest when we seek God's face.

...When the enemy comes in like a flood, the Spirit of the Lord will lift up a standard against him. This is a great verse of assurance to us. No matter how fiercely the enemy may attack us, the Holy Spirit will be on our side holding back that enemy.

...Today, many people don't seem to care if they hurt or offend God before Him. Sadly many Christians seem to push God to the edge of their lives and only focus on Him for a few hours on a Sunday. We can dress up in nice clothes and go to church on Sunday School with a smiling face, but at the same time, our hearts can be far from God.

...Hosea placed some of the responsibility for the people's disobedience onto the rulers and leaders because they had clearly failed to teach them God's Word.

...My people are destroyed for lack of knowledge. (Hosea 4:6)

SIN

Sometimes when we come to pray to God, we may be holding on to some unforgiven sin in our lives. In these verses, God tells us that we are wasting our time in prayer if we have not dealt with these sins already. God is holy and hates sin, especially when we are lying by trying to hide it from Him. We must be open and honest when we seek God's face.

This is a great verse of assurance to us. No matter how fiercely the enemy may attack us, the Holy Spirit will be on our side holding back that enemy.

Genesis

Genesis begins with the record of creation, the catastrophe of entering the world and the story of Noah's flood. We then enter the special promise or "covenant" that God made with Abraham, Isaac and Jacob. The book concludes with the people of God living in the land of Egypt.

Leviticus

In the book of Leviticus, there are many things we can learn about God. For example, the word "holy" appears 131 times and the word "clean" appears 186 times. God says, "You shall be holy, for I am a holy people, set apart to serve God."

It was most likely written by Moses at Mount Sinai where he received the 10 Commandments. On 38 occasions, it starts statements with the words "God said."

A significant part of the book is about the Tabernacle, which was a large tent where the people could gather to worship God. Remember had to be portable and mobile. During those years God taught His chosen nation the importance of His presence, His holiness. His hatred for sin and that our sins must be taken away.

In the age we live in today, we look back to the cross where the Lord Jesus died. But these people had to look forward to a time when God would send a Saviour into the

Shining for God

In 366 daily devotions, the reader is encouraged to reflect on many wonderful characteristics of the Old Testament Tabernacle. Then, their focus will turn to Deborah, Gideon and Samson and how God used the Judges to deliver His people from their enemies. Then, the lives of Ezra and Nehemiah are studied

IN DETAIL and many practical lessons are drawn from their MINISTRIES whilst under much opposition. The devotion finishes with a challenging study on Daniel, the mighty man of prayer who faced the roaring lions.
